## Harassment Prohibitions

Harassment of any kind in the workplace by supervisors, managers, employees, or contractors, on the basis of any characteristic protected by law is a form of discrimination that violates GF's Policy against Discrimination, Harassment, and Sexual Harassment. It is prohibited and will not be tolerated.

Harassment can be a verbal, nonverbal, written, or physical unwelcome conduct that shows aversion or hostility toward any individual because they belong to, or are perceived to belong to, one or more of the protected categories set forth above. Sexual harassment includes (without limitation) unwelcome sexual advances, requests for sexual favors and other verbal, visual or physical conduct of a sexual nature. Harassment can occur between members of the same or opposite gender or sex. Harassment is often defined by the impact to the recipient rather than the intent.

GF has a zero-tolerance policy against harassment and discrimination. Individuals who feel they have been unlawfully discriminated against and/or, harassed, or witnessed discrimination or harassment, should immediately report the incident to their immediate supervisor, any member of management, an HR Business Partner or Employee Relations ([employee.relations@globalfoundries.com](mailto:employee.relations@globalfoundries.com)) or through GF's toll free Ethics, **Ethics First Helpline** available 24/7 at [www.GF.ethicspoint.com](http://www.GF.ethicspoint.com) - 866-345-6885 (U.S. Toll Free) or through Ethics & Compliance Office - [global.compliance@GF.com](mailto:global.compliance@GF.com) - 518-305-5025. Ethics reports may be made anonymously but employees are encouraged to provide sufficient information to permit an investigation and some contact information to allow for follow-up. Managers who become aware of a situation that may involve unlawful harassment or discrimination must immediately make a report to an HR Business Partner or Employee Relations.

GF will conduct a prompt, thorough, and impartial investigation and will take appropriate action to remediate any improper conduct if applicable.

## Retaliation Prohibitions

Retaliation against any employee who reports perceived discrimination or harassment, or other behavior prohibited by this Policy Statement or who participates in an investigation as a witness or in any other capacity, is prohibited and will not be tolerated. Retaliation may include any adverse employment action, such as demotion, discipline, firing, salary reduction, or job or shift reassignment.

Employees and applicants will not be subjected to harassment, intimidation, threats, coercion, or discrimination because they have engaged in, or may have engaged in, filing a complaint, assisting or participating in an investigation, compliance review or hearing, or other activity related to the administration of Section 503 of the Rehabilitation Act of 1973, the Vietnam Era Veterans' Readjustment Assistance Act of 1974, Executive Order 11246, all as amended, and/or any other federal, state, or local law or regulation regarding Equal Employment Opportunity, opposing any act or practice made unlawful, or exercising any other right protected by such laws or regulations.

GF will not discharge or in any other manner discriminate against employees or applicants because they have inquired about, discussed, or disclosed their own pay or the pay of another employee or applicant. However, employees who have access to the compensation information of other employees or applicants as a part of their essential job functions cannot disclose the pay of other employees or applicants to individuals who do not otherwise have access to compensation information, unless the disclosure is (a) in response to a formal complaint or charge, (b) in furtherance of an investigation, proceeding, hearing or action, including an investigation conducted by the employer, or (c) consistent with the legal duty to furnish information. 41 CFR 60-1.35(c)
